

The interest I feel in the education of the youth of this Territory, together with the frequent application made to me by parents for School Books has induced me, at the solicitation of the Publishers, to assume the Agency for Wilson's Series of School and Family Readers.

I have now completed the necessary arrangements, and should be pleased to receive an order from you.

The publisher's prices, in November last, were:—

Primer	-	-	-	18 cts.	4th Reader	-	-	\$1.00
1st Reader	-	-	-	30 cts.	5th „	-	-	\$1.50
2nd „	-	-	-	45 cts.	Primary Speller	-	-	15 cts.
3rd „	-	-	-	75 cts.	Large	-	-	35 cts.

Mounted Charts, \$18.00 per set.

All orders must be accompanied with the purchase-money, and ten cents added to each dollar for freight from New York to Atchison.

The freight from Atchison to be paid here on the delivery of the books.

You will readily perceive that books ordered through me will cost nearly one-half less than in the usual way of purchasing them in the Territory, and you will, at the same time, be certain to get the precise book wanted, instead of being obliged to accept only what you can get.

By properly representing this matter to parents I have no doubt but they would see it to be greatly to their advantage to hand you the money and their orders.

I am,

Yours respectfully,

DAVID O. CALDER,

AGENT.

—very different from the one in the first part.

[illegible]

and I
